Dear Chairman,

I visited your Clerk yesterday to carry out the Annual Internal Audit of your Council's affairs for the financial year 2019-2020.

I found the Council's policies and control documents in position and up to date.

The Financial regulations have been complied with and all transactions fully documented and supported, vat accounted for and accounting statements properly prepared. All Audit requirements were fully complied with.

The assets register is up to date.

All documents were well presented and easy to follow.

You have a very organised and efficient Clerk.

Overall I found no cause for concern regarding your Council's affairs.

Yours sincerely,
