

Marham Village Hall was built in the late 1800's as a purpose built school. It remained a school until 1955 when the current school was built at Hillside, Marham.

In the late 1960's the **Parish Council** purchased the building and in 1970 converted it into a community Village Hall. The original conversion had a small stage which was used for entertainment, although this no longer exists.

The village is home to **RAF Marham** which opened in August 1916 and celebrated its **Centenary** in 2016. RAF Marham is one of the largest and busiest bases in the country.

History shows that throughout its 100 years RAF Marham has consistently been operational and at the forefront of supporting the Government when called upon to do so.

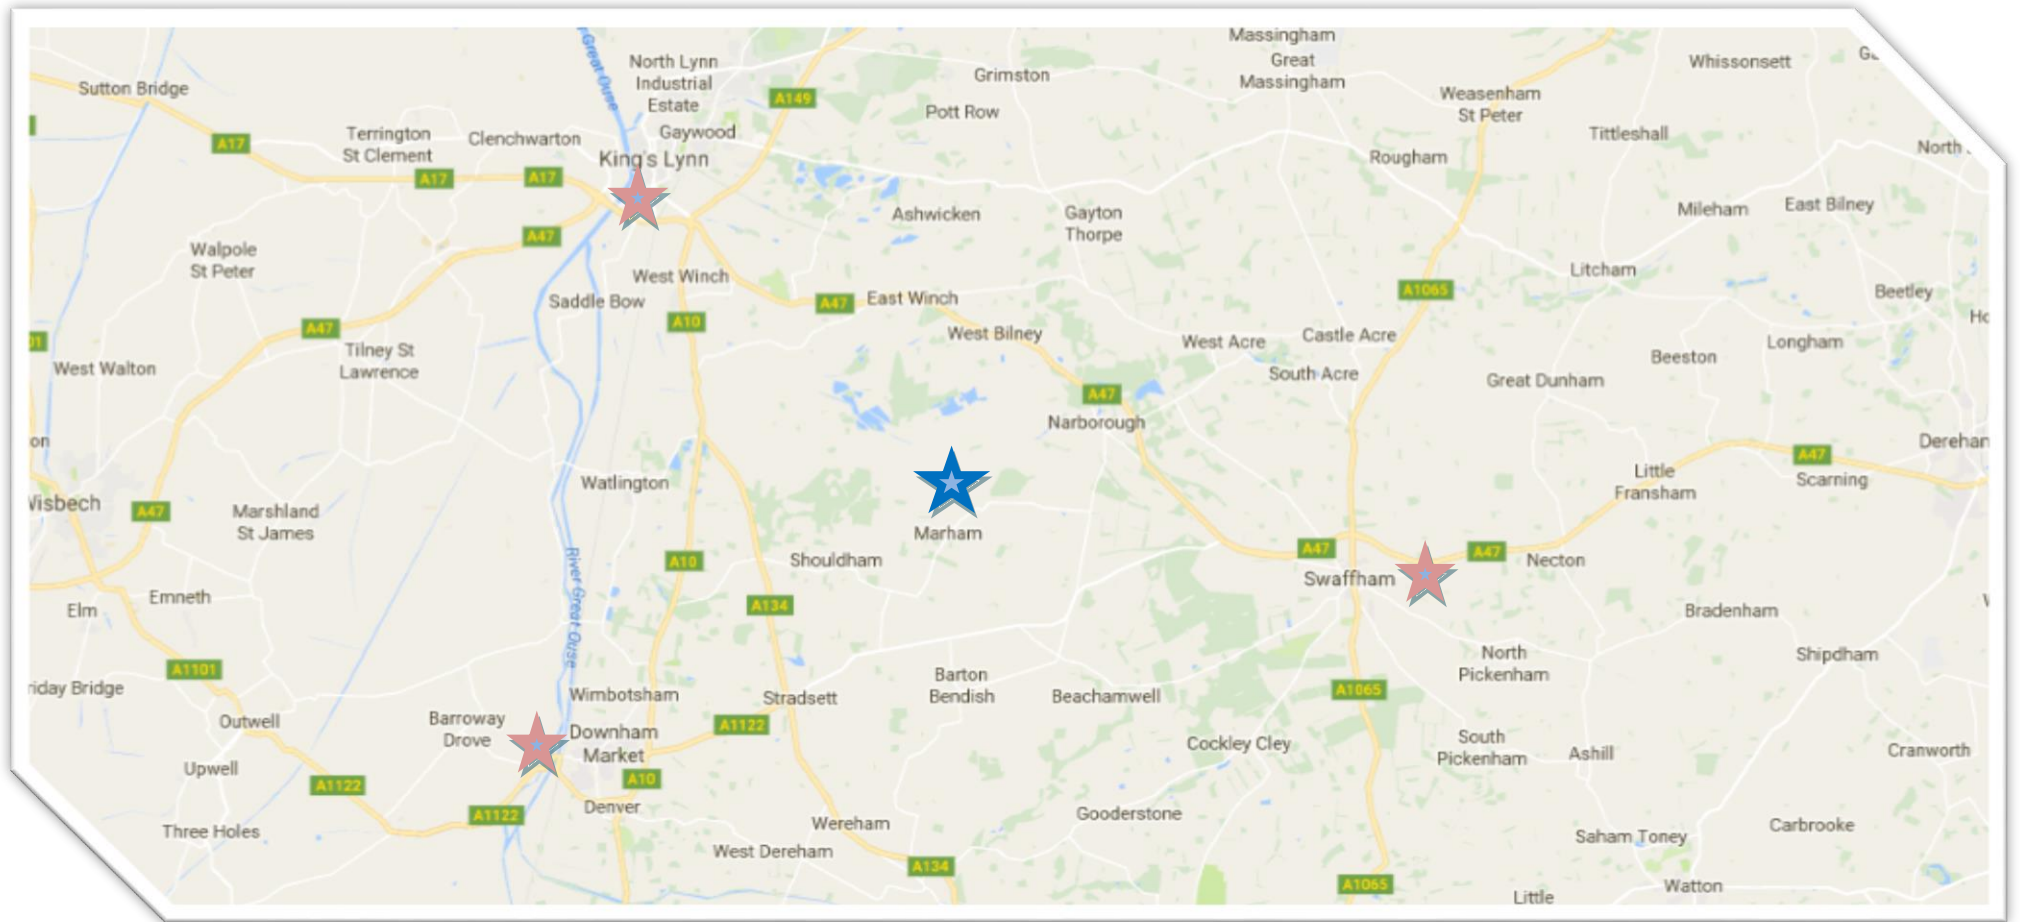

Marham Village Hall is available to hire for private and commercial functions.

It has a large hall, small outdoor amenity space, kitchen with full facilities including fridge, microwave, kettle and large urn, toilets and free parking.

Commercial Hirers have seating capacity for 60 students, tabled seating capacity for 30 students, a projector screen, flip chart, paper and pens and the option of light refreshments and/or buffet lunches.

Marham is located centrally between King's Lynn, Downham Market and Swaffham, making Marham Village Hall the ideal place and venue to hold training courses, seminars and other business activities.
